### Growth and niche markets in tourism 21 minutes Clickview library

Category: Society & Environment Year: 2012

A range of factors have led to tourism becoming one of the world’s fastest growing industries. Tourism experiences have become more diverse in recent decades, in response to changing demands from the market. One area that has seen significant growth is niche markets. This program explores some niche markets, including volunteer tourism, dark tourism, health and medical tourism and gastronomic tourism. Is 'voluntourism' the new colonialism?
