

Workshop questions

1

- *How could you use this graph with students that you teach?*
- *What would you want your students to learn from this graph?*

2

- *What does the graph suggest about which nations are most/least responsible?*
- *Is the graph alone sufficient for determining this responsibility? Why or why not?*

3

- *How does Doreen Massey's 'mini-essay' illustrate the importance of geographical knowledge?*
(<http://geocapabilities.org.gridhosted.co.uk/training-materials/module-1-the-capabilities-approach/into-practice/>)
- *What do you think are some of the consequences for young people who lack opportunities to learn such geographical knowledge in school?*
